

*Susan McQuay...* I was born in Baltimore and grew up in Potomac, Maryland. Summers were spent at my grandparents' beach house in Ocean City, Maryland. I loved the beach so when I decided to relocate, Florida seemed a natural choice. I made that move in 1986 and all four of my children, three girls and a boy, were raised in Naples. We are a very sports and outdoor oriented family. One of our favorite things to do in Naples when they were younger was to camp out on Keywaydin Island or go to the Keys to fish or dive for lobster. We love watching professional football and basketball together and are all big Washington Redskins and Miami Heat fans. With two children at Florida Gulf Coast University and one son in middle school, my weekends are often spent watching my children play in soccer, basketball or football games. Music is another love. My musical taste runs the gamut from Garth Brooks to Aerosmith. I once drove all the way to Atlanta for one night to see Garth Brooks in concert.

After working as a pre-school teacher for four years, I began a career in real estate working for Marion in 2003. My mom was in real estate and it seemed like a a natural career path. I joined Anne and Marion again in 2011. We all work so well together and it has been a pleasure to be part of such a professional and caring real estate team.
